I only met "uncle" Bob once when he visited CT for my mom, Lois's memorial. I am so grateful I got to meet him and also to see these shared photos. I know you and Lois are visiting and yukking it up right now. May your journey be blessed Uncle Bob. Thank you for your service to your family and the world.

Remembering Uncle Bob's gentle and forgiving spirit...one time in particular when Robin and I were practicing for the Olympics,doing gymnastics in her bedroom and I broke the canopy on the bed.
Thank you Uncle Bob for wonderful childhood memories and always smiling!

Uncle Bob you will be missed.....I will never forget how you somehow seemed to forgive me when myself and others opened EVERY LAST soft drink bottle you had behind your bar area to retrieve a special plastic prize that was placed in the cap. I know we were young but to say stupid would be appropriate. Thank-you and to Aunt Helen for being great friends to my Mom and Dad for decades.....the stories are just priceless! Love Jaime

There are so many memories for me, but my greatest was when I was going through a particularly rough time, and my Dad said, if you need to talk, you can come to me any time. It was so beautiful to know I had his love and support. Rest well Papa. No more pain, only joy!
