“ Mrs. Saladino was one of the nicest, warmest people I have ever known. Growing up in Bogota, I spent a lot of time in the Saladino household. She always greeted me with a big smile and hug. She always made me feel like part of the family. She was truly a special person to me. Steve, John and Pete....you don't need to hear this from me, but your mother was an amazing lady. I'll see you guys this afternoon.

“ As a high school friend of Bobby & Billy, and long time friend of the Mackenzie family, I just wanted to say how sorry I was to hear this sad news. I remember Linda well and always remember her sweet spirit, along with her loud and infectious laugh. Always loved her smile and she seemed to always have a twinkle in her beautiful bright eyes. Even though I hadn't seen her in quite some time, I am sure she will be truly missed.....Love and God bless you all,

“ In 2005, after 45 years, I was reunited with my childhood friend Pete, and met Linda for the first time. My wife JoAnn and I liked her immediately, and the four of us became close friends. I am very blessed and lucky to have her as a friend for 15 years. She was a wonderful, outgoing, caring friend, and I will miss her dearly. She is now in heaven with Pete and my wife JoAnn.

“ I have so many memories of my sister I can't share them all, not now anyway the loss is too deep. Linda love people, she loved to talk, in the middle of a shopping isle it didn't matter she would chat with someone.

She also loved to laugh and found a reason to laugh under any circumstances. In a crowd you could find her there laughing & chatting with someone. One thing my sister didn't like was shopping at clothing stores, but I'd ask her & she would go. I knew she didn't like it but she did it anyway (once she got there she had a good time) and we would stop somewhere for coffee & of course a chat afterwards. I didn't have enough of those times with her.

I will always remember my sister for being there for her family. She was a great mom to her children, you wouldn't want better.

It is going to be hard for me to get use to her not being here. I've lived across the street from her for over 30 years it's the reason we moved here, so we could be there for each other as we grew older. When I look out my front door I won't see her across the street anymore, I can't pop over to her house at anytime of the day to have a cup of coffee and some kind of talking anymore. The past couple of years she & I would do a lot of remember when's, we would laugh or cry depending on the memory.

I will miss my sister Linda so much, but I have so many memories I know they will last me my lifetime. I don't think anyone who knew Linda will forget her, she just had that kind of personalty.

My Sister, may you be at Peace & know that you are forever in my Heart.
