“ Farewell and Godspeed Sarge. I would have been honored to have you as part of my crew. We shall meet again in Valhalla. Larry Kwiatkowski..CW3 retired.

“ Paddy and I meet circa 1990 when I moved into Teaneck and I needed ladder work on our home. He was a great conversationalist and had a head full of stories, words of wisdom and Irish tales. He enjoyed the Teaneck Fire Department and the men he worked with and was proud of his military service.

Most of our contact after his move to Florida was by social media, we both enjoyed his joy of music. He would comment that I always liked or loved his music from the 70's & 80's. From time to time I would counsel him to seek professional help for his trauma memories from the Rutland fire, he was thankful for the good days.

He had made some good friends in Florida but always yearned to come back to his roots in Teaneck. I could not encourage him to. He was filled with joy and pride when he was sponsored to travel to Teaneck for his high school reunion. He loved sharing these stories.

His friends and family became my friends and family. I will always enjoy my memories of Paddy, one time in the middle of the night I mistakenly called him Patty...boy did I get me ear chewed off...thankfully we were typing and his hand got tired...the conversation would have gone on and on. “ I was his commander in the National Guard many years ago. He was a hard worker and very knowledgeable. I'm very sorry to hear of his passing.

“ Pat was a loyal friend and a dedicated soldier, always eager to help. He was a true hero as a Teaneck fire fighter risking his life in an attempted rescue of infant children. That incident haunted him for years. Essayons. Slow salute.

“ I was introverted in High School and sheltered...Pat was always so kind and sweet to me and we hooked up many years later on fb where he always played music and his love for it was contagious...I will miss him and many songs will now remind me of him. C Betz
