

Paul Costa

December 2, 2021

COSTA, PAUL, 62 of Bergenfield, NJ died peacefully on December 2, 2021.

Beloved fiancée of Martie Alvarez, and proud friend to Dylan, her son. Dear brother of Blanche Schierloh and Lucille Calise. He was pre-deceased by his parents Paul and Lucille Costa. He adored his dog, Bella, who he called his little sunshine girl.

Paul worked as a builder and contractor, but was known for his varied interests. He loved working with his hands--whether metal, wood or cooking. Paul was an engine builder and Chevy enthusiast. He loved his Chevelles and spent many hours restoring vintage automobiles. He was a talented chef that enjoyed sharing his love of cooking with his family and loved ones, as well as catering. Most of all, Paul was known for his creative soul, generosity of spirit and a great sense of humor. Friends and family always left his home with a smile on their faces and usually a container of his delicious cooking.

Funeral services will be private. In lieu of flowers donations to the National MS Society would be appreciated.

“ *Paul was my Cousin and easy to get along with growing up. We had some nice times together when the Costa family lived on Henley Street.*

We shared a mutual admiration for the Chevelle and he use to take me for a drive to his personal drag strip off River Edge Road between the Burger King and Kinderkamack.

His cars were always faster than mine.

I enjoyed his company and would like to have shared more time with him in our later years...cooking more than racing these days...

RIP Cousin,

Hello to the family in the afterlife. If there's a feast, I'm sure it's a big one in your honor.
