“ We had the great fortune of having Ken and Barbara move in next door to us in Dumont. And what good fortune it was! Besides the fact that you couldn't ask for a better 'neighbor,' we soon found out we couldn't ask for better friends than Ken & Barbara. Yes, this is a tribute to Ken, but without Barbara, the Ken we knew would have been a far different person. Something he told me on many occasions, as Ken and I talked a lot (lol), me calling him my new dad, after mine passed.

Besides our many 'heart to hearts,' the number of times Ken willingly and happily helped us with house projects are far too numerous to recount. But -- you'd better do those projects the RIGHT way, which of course was Ken's way. Else he wouldn't sign off on it! Just like the annual spring power washing of his house. A religious rite in its own. lol.

Which leads me to the end of this tribute. And that's our frequent memories of busting his chops, telling him every year, as he blasted us out of our house for an entire weekend power washing his house (w/ gutters that shone) -- "THIS is the only time we ever wish we had a different neighbor, Ken." God speed, our dear friend. You'll be sorely missed.

“ I am truly saddened to hear of Uncle Kenny's passing. I hope he did not have to endure too much suffering or pain. I pray that he rests in peace and the rest of the Benson family greets him as he makes his way to Heaven.

Sincerely,
