“ The Rosignolo Family, My deepest sympathies and condolences are with you this week as we lay an amazing young man to rest. Adam was one of my closest friends during our years at Rider University. He was an amazing brother to Tau Kappa Epsilon and friend to the sisters of Delta Phi Epsilon. Adam always went out of his way for others, and had the most infectious smile. He will forever be missed. Love always, Nikki Caplinger##imported-begin##Nikki Caplinger##imported-end##

“ It was with deepest sorrow that I learned of Adam's untimely death. There is so much to remember from the 4 years I worked with Adam at Teaneck High School. Most of all, I remember the great joy and sense of accomplishment Adam experienced once he found the THEATRE Department and became involved in its productions - at that point, HIS SMILE COULD LIGHT UP A ROOM! My deepest sympathies to all his family and friends! Laurel H. Friedmann, THS - Guidance Dept.##imported-begin##Laurel Friedmann##imported-end##

“ We are Sybil Johnson's parents and we need you to know that we are deeply sorry for your loss. We can't find the words, but know that we had occasion to spend time with Adam (Roz) and we were moved by what a dear sweet man he was. Although, he seemed a bit shy at first he was quick to smile. He brought joy to many. Adam's passing is a great loss. Our thoughts are with you and your family. Respectfully, Kimberly and Tony###imported-begin###Kim and Tony Kreisel###imported-end###
