“ I probably met Alan for the first time in 1988 or 1989 after I started working at AMOL motorcycles. He was a regular. He would pop in whenever he had a chance. Always a smile and a kind word, soft spoken and a ready laugh.

He loved to get out for a Sunday morning ride on his motorcycle. i've included a picture from one of those rides. This is how i'll remember him best.

My deepest sympathies to the entire Buchman family.

“ Alan was a great colleague to work with. He had a genuine warm greeting for everyone every day. Every year he looked forward to ordering Girl Scout Cookies from my daughters to support Operation Shoebox. He regularly shared how proud he was of his son in the military and how excited the troops are to receive a shoebox from home.

It was a pleasure to work with him. He will be missed. My condolences to his family and friends.

“ I met "hi" Al in the '80's working at AMOL Motorcycles and he always had a smile and a laugh to share when he would stop in. He took me up to Marcus Dairy for my first time, and if it wasn't for him removing a stuck carb screw I never would have gotten my Suzuki back on the road. Al was always willing to lend a hand, generous with his time, always a positive attitude, and a loyal and dear friend, even if it was a period of time in between visits. I will surely miss him. My sincerest sympathy to his family.

“ For many years I knew Alan as Aaaaa! It was Aaaaa, Baaaa and Gaaaa to our crowd back in the old days. He met Patty, his wife, very early on and that was it. It was love. I remember how devoted he was to Patty. It was really sweet and obviously true love. I have not seen them in many, many years but have thought of them both often.

I am so sorry for the family's loss, but I will cherish my memories of Alan always.
