“ Dear Barbara, I was so sad to hear the news of Al's passing. Although it's been many years since I last saw him, I have wonderful memories which always bring a smile to my face of Christmas parties and weddings from the Kellogg days. What I remember most is his contagious smile and the love and respect that was so evident between the two of you. My thoughts and prayers are with you and your family.##imported-begin##Lois Armstrong##imported-end##

“ To the children of Al Cristaldi; I am deeply sorry for your loss. Your dad and I taught together both at Dumont High School and at River Dell. Though we were in different departments, I always admired his scholarship, his devotion to his profession and his love for all of you. We always shared a private joke together about River Dell. Whenever things got tough I would always tell him: "It could be worse, we could still be in Dumont." After that we would have a good laugh.
