

Angela Bogris

September 18, 2020

Angela Bogris (nee Laousis), June 29, 1927-September 18, 2020

Angela Bogris, previously of Teaneck, NJ and Washington Heights, NY, departed this life at age 93, quickly and painlessly, after sharing her enormous love of life with all who knew her. With a great big smile, she was happiest being surrounded by her adoring family, cooking and dancing. She was an avid reader and, even onto her last days, always interested in the world around her and catching up with friends.

Angela was a faithful and longtime member of St. Anthony's Orthodox Church and also enjoyed the fellowship of the women and senior organizations of St. John the Divine and St. Athanasios. Before retiring in 1992, Angela worked in banking in Washington Heights, NY and throughout northern New Jersey. She is survived by her children Jim (Claudia), Vicky Androulakis (George), Spiro (Kim) and George. She's also survived by the joys of her life, her twelve grandchildren: Renee, Evan, Christopher, Alexis, Evan, Andrew, Angelica, Marissa, Allie, Alex, Zachary and Janine and four great grandchildren, as well as beloved nieces and nephews.

She is predeceased by her husband Evangelos (2000), sister Tessie Black (2019) and brother Teddy Laousis (1994).

Visitation will be on Tuesday, September 22 from 4-8pm at Volk Leber Funeral Home, 789 Teaneck Road, Teaneck, NJ. Funeral service on Wednesday at 10am at St. Anthony's Orthodox Church, 385 Ivy Lane, Bergenfield, NJ. Interment to follow at George Washington Memorial Park, Paramus, NJ.

In lieu of flowers, the family requests that donations be made in Angela's honor to St. Anthony's Orthodox Church.

“ *Cousin Angie was the last of the Laousis family for me. We all grew up in Washington Heights and She, Tessy and Teddy were my only connection to the non 'Greek' conversations that went on at our house. We, my sister and I, have shared many, many memories together over the years and even recently(as last week) we spoke for the last time. She always had a smile in her voice, as well. I will miss her very much. Our deepest thoughts and prayers to her/our family. Thank you, Jimmy for sharing the news and your warm words.*

“ *Angela was a wonderful woman who adored her husband and family. I met her when I went to work at Anchor Savings Bank. She was the branch manager at that time. We became friends and spent time together outside of work.*

I offer my deepest sympathy to her family and may she sleep in God's loving arms forever.

“ My deepest condolences to my second family, the Bogris'. Mrs B, my pseudo mom always made me feel so welcome and loved. I miss the days of sitting in her kitchen with George while she fed us til we could barely stand. And she'd be smiling the whole time. When wasn't she smiling for that matter. Mrs B you are such a beautiful person and I will miss you terribly. I'm a better person for knowing you and your amazing family. Thank you for treating me like family. Your fourth son, Chris (Apostoli)

“ Mom,

That we will never see you or speak to you again is hard to imagine. We all have been told that nobody lives forever; but you most certainly will. You will live on forever in the hearts, minds and lives of your children, your grandchildren, great grandchildren and the countless people who considered you their "other" mother, and those who considered you their Yiayia. You have touched the lives of so many and everyone is richer for having known you and been blessed to be in your company. A more optimistic person has never existed. Your positive attitude and willingness to always see the silver lining will forever inform the way I face the situations that life throws at me. When you were faced with the difficult decision in July 2014 of having a surgery that some were certain would take you from us, you faced that decision with dignity and your ever-positive attitude. I will always remember your response when the surgeon asked what you wanted to do: "I'm going to give myself a chance, I'll have the surgery, I think I'll be fine!" And true to form, you were--in fact better than fine. That surgery saw you through the weddings of two grandchildren and the births of four great grandchildren. I am forever thankful of the additional six years that those who loved you got to share with you because of that unsinkable attitude. I am grateful for the 57 years I had with you and for the years that Andrew, Allie, Zack and Jaxson shared with you. As much as they brought joy and smiles to you, they received so much more from you. I love you and will miss you. But I will think of you never with sadness; my thoughts of you will always be accompanied by a smile. I will always remember to give myself and others a chance, expecting--knowing that I'll be fine; just like you taught me. Thank you for the life you've given me and shared with me, my children and my grandson. God bless you always.

Beautiful thoughts, George. So true. Your Mom was a highlight of our Elm Avenue childhood. She was one of the happiest, kindest, most nurturing women I've ever known, and I feel so blessed that she shared her love with our family. Our family is keeping your family in our thoughts and prayers.

“ Spirit,
I am deeply sorry for your loss. Your mom must have been a wonderful woman because she raised a son who to this day still brings a smile to my face. I know she will live on in your heart and in your memories.

“ *I don't think I ever saw Angela without a smile on her face. She was always so upbeat. My favorite memory of her is the day she came to our house to show a few of us in the neighborhood how to make stuffed grape leaves (which I haven't made since I'm sorry to say). She was so precise & picked each parsley leaf off the stems. Then she wrote out a few other Greek recipes to share with us. She was such a beautiful, caring soul She will be missed by many. God bless. RIP Angela.*
