I hope you are well and healthy Claudio. I will always remember the kindness you showed to my mother and grandmother, as well as myself. My mother spoke of you often and loved you.

Hello dear Aleksandra. Thank you so much immensely for your so nice words for me, remembering our Sweet Great your Dear Mom Angela. I can tell you only that every day, it's always much more the missing of Angela, it's really impossible for me believe that I can't see her never more. But I must think too that she's always near me. I know very well that only I, I have loved her for the eternity. I have been happy only with your Mom Angela, and never I forget you Aleksandra, of course, your Grandma Polina too. Please, if you can send me some pictures, I dream this very much. Great love from me forever. Thank you so much

“ *Angela offered me friendship at a time when I needed one the most. The past several years are full of great memories of long conversations, advice, swapping stories, and these memories are treasures I will keep close to my heart. I shall think of you and remember you always for your kindness, your caring, and your steadfast loyalty. Be in eternal peace, my friend. ❤️*

“ *Angela was so kind and caring. She made a beautiful blanket for my Mila when she was born last year, the vibrant colors will always remind me of her warmth and bright smile. I feel lucky that my kids got the chance to get to know her over the last few years.*
