“ Mema, I’ll be missing you very much. I wish I could have seen you one more time, I regret not seeing my family frequently, especially you. You always had a smile on your face and was the life of the party. You never disappointed me with anything and have always been such a huge role model to me. I know you are in a better place and we will all be thinking about you. I want you to know that I love you so much and miss you endlessly❤️❤️

“ Sending heartfelt condolences to the family. My daughter and I knew Angela from back in the day when she was our hairdresser at Riverside Mall in N.J. Noone could do hair like Angela! She made us look like a million bucks! And entertained us while she worked. What a character and such a special person. Am so sorry for your loss. Janet and Deanna Ecke

“ *Angela was such a fun person to be around. Lou and Vince are cousins and we loved spending time with them at the Lake. We laughed until our sides hurt. Angela had a BIG life, she lived it to the fullest and was a warrior. I will miss her, she was a big part of some of my best memories. Rest in peace, GOD speed to heaven ❤️. 🙏 love you.*

“ My name is Ed DellaMonica, I grew up with Louise since we were in a crib together. I did not know Angela very well cause I moved to California 35 years ago. But the times I met her she's a wonderful gentle person. And made my brother Louis very happy. I know she would be greatly missed in a lot of sadness for the people left behind.
