“ I lost touch with Anita in the late 1990's when I could no longer reach her at her Summerville, SC home phone. For years I assumed the worst, but hoped for the best and continued to search for her periodically on the 'Net. Needless to say, I was deeply saddened to find this obituary on my latest search. 'Nita and Ed were dear friends from back when they lived in Vermont and 'Nita worked at the WRJ VAH (where we met 40 years ago when I was a medical student). The fact that I've continued to search for her lo these many years is a testament to the kind of friend she was. I'll miss you all the days of my life, dear friend, and will undoubtedly think of you often through the years! My deepest, if belated, condolences to your beloved family. Godspeed, 'Nita!###imported-begin###Marian Petrides MD###imported-end###
