“ I am so saddened to hear about Ann. Just received an email from the Sisters of Peace of St. Joseph (I've been a member for years) about her passing. So shocked ! Early 8 a.m. lab tests and just found this - and so upset and too late for her mass. Most certainly would have been there. Have had serious health problems myself off/on the last two years. Thought of Ann so often - did try calling several times but no answer . No one seemed to be aware that she was ill. So so so many memories, beginning with the Charismatic movement in Northvale and than at Ann's home. Wonderful times, wonderful friends. wonderful memories. Will always miss her . We had a lengthy friendship - I will never forget Ann. My sincere love and sympathy to her children who I knew so well. She was a wonderful mother and was so proud of all of you. God Bless all of you. I know she is at peace and will always be with you.
