“ *I am shocked and saddened to just now hear of your passing Ann! I will miss you terribly... I am so sorry that I wasn't in touch as often as I should have... I will miss your kind words and loving thoughtful notes and cards... our long conversations and you're constant confidence building... although we had our ups and downs, I always had the utmost respect for you and I know how much you cared about me...you were always proud of me and told me so often. Thank you for your years of friendship and love. I will miss you eternally. Rest In Peace my friend..*

“ *Ann was always kind and caring to me. Thanks for being my friend. It's an odd feeling knowing that you aren't on this earth any longer. I know you are in heaven and at peace and rest with our Lord now. Rest well, my friend. Love you*
