“ *My condolences to the Forester's Family, today I hold in my heart and will always cherish the times Annabelle came around the terminal, or when we were gracefully blessed with her presence at the Christmas parties. “ Mike and I will always envision you stopping off at the airport (enthusiastically) on the way to or (with post game analysis) coming from Giants stadium. These memories and your hearty enjoyment of the company Christmas parties will be what we carry with us.##imported-begin##Maren Gallo##imported-end##
