“ PJ, Sandy, Karen and families - I'm sorry that we were not able to be with you today. I was so fond of Aunt Ann. I have many nice memories of being with her. It was always a treat when I was in Nesquehoning and she and your dad were visiting too. While growing up, your mom was always kind and caring towards me and my family. I know how devoted she was to all of you and you to her. There really is no one like a mom. We share in your sorrow and send our love - Kathy and Larry##imported-begin##Kathy and Larry Monaghan##imported-end##
