“ To all the Aurigemma's: I am so profoundly saddened and sorry for the loss of an incredible man, who became family to me. Speaking with Poppy and watching him engage with his grandchildren became the most enjoyable parts of family holidays. He had the kindest heart, incredible patience, and loved all his family deeply. Poppy was truly selfless in a way you rarely find anywhere else.

I'm not sure my Dad will figure out how to leave a note online - so I wanted to tell you he is very distraught over losing his friend Tony, and joins me in thinking of and praying for you all.
