“ Anthony was my closest cousin by far. We had some great times together. As kids it was like going out to the country when my mom & dad use to pack us all into the family station wagon for a day trip and visit his family in Saddle Brook from Jersey City on a hot summer Saturday. Aunt Alice & Uncle Anthony had a swimming pool in the back yard & Anthony, my brothers & I had a ton of fun all day long. Uncle Anthony even made his own wine, how cool was that !

Later in life, my Aunt Alice was never quite as fond for some of the antics Anthony & I would get into when Anthony would occasionally come down to our Jersey shore house for a stay over. However, my Uncle Anthony knew it was just the rite of passage for us to growing up. On one such instance we, no I got us into a little bite of trouble with the law on our way home from a night out. All worked out well in the end but as I said earlier, my Aunt Alice had that scowling look for me the next time I saw my aunt & uncle.

Anthony was always treated as part of our family. I and the rest of the Robinson cousins will miss him dearly.

“ My deepest condolences Lisa and Family. Tony was a great guy who always had a smile on his face. He was kind and even tempered. Even when his car got stolen in Passaic while we were at the Stevie Ray concert, he kept his cool. He will be missed.

*Sincerely,

“ To my dearest Cousin,

I am truly saddened by your passing. I will always remember the fondest times we spent on the Jersey shore in the summer, growing up as kids, and crabbing on Barnegat Bay. Rest in peace and may God bring comfort to your family.

Until we meet again,

Chris Robinson
