“ My favorite memory of my uncle Anthony was in Long Beach Island. Anthony, my dad and I went out on a fishing charter right after a big storm. Almost everyone on the boat was getting sea sick and Anthony was the only one on the boat who caught a fish that night. It's amazing how much fun we had weathering the rough seas. I pray that the Peace of God be with his family and especially with his wife Laura, daughter Jennifer and son Micheal during this time of grief.

Love
