“ I can't believe you're gone. I'll miss your laugh. Way back in the day, when we'd be out on Julia playing 2 hand touch football or whatever, you always laughed, giggled almost just seemed happy all the time. I hope your life was as happy as you were in those days.

“ *Uncle Antoine, I can remember all the times we went up to NJ, or even when you came down here with Grandpa and Grandma. You would always keep us laughing! i still can't believe you're gone. 😭 I can remember the last conversation we had on the phone with each other just last year. I asked you when you were coming down here for a visit. And you told me we were grown now we had to come see you 🤔. Gone too soon! But you most definitely will not be forgotten in our hearts! I love you Uncle Antoine! 💕💕*

“ Antoine I fell in love with you the moment I saw you 28years ago. That love grew into such a unconditional love We had our ups and down but we always kept our bond. We always had each others back no matter what. You gave me the greatest gift anyone ever could, our daughter. I am so glad we got to share these last years together. I wish it could have been longer. You were right. We wasted too much time. You will live on in our hearts and mind eternally. Don't forget to pick me up when its my turn. Until we meet again.
