“ Gone too soon my friend. When you started at St. John's, we immediately became best buddies. Your family was awesome and I loved hanging out at your house and especially the house in Bay Head. When your parents went out and they told us to stay in and we danced to records all around the house and then decidedwell, why not just take a quick walk....oh yea, and our little secret talks. We just recently found each other again and I was so excited thinking we could do lunch....RIP my beautiful friend, you will be greatly missed. xoxo

“ *Dearest Danny, Ardith, Matt, Jackie and Families,*

My heart is very heavy knowing that a great woman, who played so many roles and wore so many hats passed from our lives. I remember growing up with Ardith as a young kid, having a house to play at, almost like it was a second home, to me. I remember her always having a can of ginger ale and a bag of wise potato chips in the kitchen at the ready. She always had a warm home and open arms and I will never forge that! She was very special to me and my whole family. She will be missed very, very much. Prayers and thoughts are with you all at this time.

With love,
