“ *My condolences to the Family. So very sorry to hear of her passing. I worked with Autumn at Bell Atlantic. She was the sweetest person! She was like a second mom to me thru those years.*

*I am deeply saddened to belatedly learn of Autumn's passing. I knew she was diagnosed with Alzheimer's Disease several years ago, but did not know till today, after checking her name, of her death. She was a good friend and we communicated often of our lives. She was interested in my growing up in Paramus, NJ during the WWII years. She also kept her classmates aware of the status of those who had predeceased us and other events in the lives we shared. I missed her when she was ill, and I mourn her leaving us. My sincere condolences to those she leaves behind, may the Lord bless and keep them safely in His love and care.*
