“ *My dearest Avia, you've left a void in my life that no one else can fill. You were a great friend,a mother to my children, always smiling no matter how tough things get. You send me a video from the Hospital,,smiling, blowing me a kiss, telling me you love me , I'll forever cherish that. My dearest friend I hate to say goodbye but I must ,sleep on and take your rest . Love you my friend.*

Avia, this is still unreal. I can't believe you're not here with us. I still play the last conversation I had with you over and over in my head. How could I have known it was the last one? I miss your sense of humor and your contagious laugh. There was never a dull moment with you. Rest in the arms of God my friend, your life has just begun. I love and miss you!

“ We love and we're happy that you knew.
Sleep on my dear and take your flight to the
skies of blue. Your time on earth has ended
and your heavenly role became due.

We miss you Auntie. It's hard to face the reality of losing you. I remembered the last time we spoke in November. I can still hear your voice in my head. Only God knows and understands. Rest in peace Auntie, we love you.

You were full of life, hilarious to the T. It's hard to see you go, but we will understand it better, in the sweet bye and bye. Rest, find sweet rest for your soul. I pray the next hand you shake will be hand of the Saviour. I love you.
