“ *I worked with Barbara at Fisher Scientific. She was like the "office mom" who was ready with kind words during difficult situations. Her smile said more than words. She was proud of all her children. I believe it was Karen who wrote children's books -- Odd Todd and Even Steven, and Baseball Ballerina, if I remember correctly. I remember how much she loved her trip to Costa Rica. I'm sorry for your loss, and I pray all your memories of her will be comforting to you in the days ahead.*

“ *My family and I send our deepest condolences and sympathy to Barbara's family. Barbara was a sweet, smiling presence, a devoted mother, and a loving grandmother.*
