“ *Our condolences to Andrew and Tony on Barbara's passing. We had several great years and fun times together as neighbors in Oradell. From marshmallow roasting in the backyard to fishing trips at the nearby lakes, we share many good memories. Barbara was always kind, hospitable, and up for sharing a good laugh. Our thoughts are with you Tony and Andrew during this difficult time.*

“ *Barbara, Thank you for always being so kind and caring to us and always so sweet to Emma, Quinn and Gavin. Whether it was letting them play with the dog or giving them toys from your garage sales, you were always so nice to them. You always had such a big heart and we will miss having you as a neighbor and our chats over the fence. Rest in Peace. Love, Jen and Brian*

“ *I don't know if you remember me - but as you see I remember your family. I lived in Closter around the corner from you (Smith Ct.) & played with Judy & Tommy & at that time they had a little sister who, I'm assuming was Barbara. Your family moved & years later so did we. My parents have passed away & I now live in Woodcliff Lake & my brother lives in Old Tappan.  
Just wanted to send my sympathy to your family.  
Sincerely,  
Cynthia Toth (I never married - that's my family name)*

“ Barbara,  
Thank you for being such a wonderful sister and friend. I have many fond memories of us taking day trips to the Jersey Shore, watching mystery movies together and just simply chatting about life's events. What I miss most is the laughter we had together. I can still hear your laugh..You were always there to help me and mom when we had the many showers, holiday gatherings, graduation and birthday party's etc... You just gave of yourself so freely to help your family and friends. You came into my life when I was a young teenager, befriended me and took me under your wings. I was very shy but with you I felt at home because you just loved me so unconditionally. You were always there to protect and reassure me as a big sister would and I am so thankful that I had the honor of sharing in your life.

*We love and miss you...*

“ *RIP Barbara. I have lots of great memories. Going to the 1985 Giants v. Bears Playoff game with you and watching the game on the field passes that your dad got us. I will never forget that. Many Giants tail gates. Block island weekend when I was in college and I almost got hit by a pork chop from a bird on the beach. Christmas eve parties and many holidays together*

*We love you and will miss you.*
