

Barbara Muti

February 5, 2021

Muti, Barbara (nee) Dorso age 67 a longtime resident of Oradell and born and raised in Union City died peacefully surrounded by her family on Friday, February 5, 2021. Beloved wife of Michael Muti. Devoted mother of Amanda Marconi and her husband David. Loving grandmother of Michael Anthony. Loving sister of Charles Dorso and his late wife Karen, and Laura Robert and her husband Rick. Dear sister-in-law Francine Scheck and her husband Neal, and Phyllis Casey and her husband Lawrence. Barbara was cherished by her many loving nieces and nephews along with her many friends. Barbara received both her undergraduate and Master's degrees from Jersey City State University. She was a dedicated educator in Union City where she was raised. She taught for 35 years beginning at Emerson High School, Union Hill High School, and later at Jose Marti Academy. She enjoyed being a field supervisor, mentoring new teachers at Seton Hall University and William Paterson University. She was also a longtime parishioner of St. Joseph's in Oradell. Along with her love for teaching, Barbara had great love for her family and friends. While Sunday dinners were a large part of her week, she rarely neglected her many other hobbies. Barbara loved spending time at the beach, she enjoyed yoga, and always found time to go shopping. With all of that said, her greatest joy for the past year was doting over her grandson Michael Anthony who was the apple of her eye. Family and friends are invited to visit Monday, February 8 from 4-8PM at the Volk Leber Funeral Home, 268 Kinderkamack Rd., Oradell. Funeral service Tuesday, February 9 at 9AM from

the funeral home to St. Joseph's RC Church for a 10AM Mass of Christian Burial. Interment to follow at Garden of Memories Mausoleum. In lieu of flowers, donations can be made in her name to the Lustgarten Foundation, 415 Crossways Park Drive, Suite D Woodbury, NY 11797.

“ Dear Michael, Amanda, Dave & Mikey,

Our hearts are broken with the loss of Barbara. It is such an empty feeling knowing that she won't be with us anymore!!!

Barbara was such a generous person, who loved to do things on behalf of her family and friends. Even while she was battling cancer, she still thought about buying gifts for everyone! We had so many fun times whether we were celebrating holidays, birthdays or vacationing at the beach! She made an impact on our children and grandchildren too!

Barbara was the "poster child for a teacher". As has been stated "A teacher affects eternity; she can never tell where her influence stops." That describes Barbara to a tee.

For all of you who read this, please remember that as long as you have any memory of Barbara she is never completely gone. We take comfort in knowing that she is no longer in pain and is in a much better place. We know she is looking down on all of you and she will help you get through the days and weeks ahead. That's just the way Barbara is ever the caregiver.

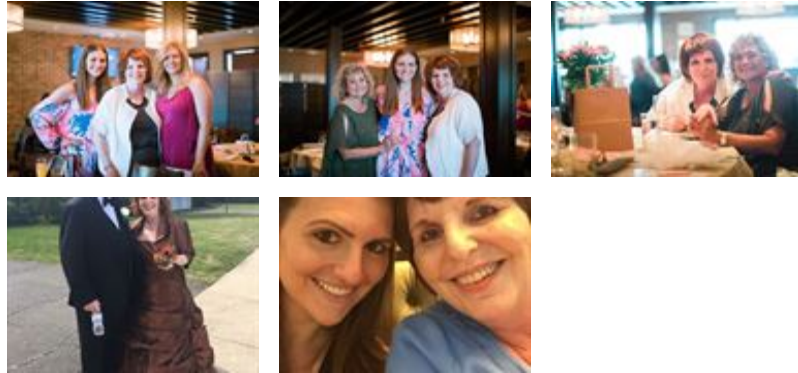

Rest in Peace Dear Sister,

“ Dear Mudi family,
I want to say how sorry I am for your loss. I grew up down the block from Barbara in Union City and have many fond memories of playing together as kids. I remember Barbara's warm family of Mom ,Dad and brother and what a happy surprise when her sister came along! Although I lost touch with Barbara as we got older I still feel the sadness of her loss. I hope the memories you have will comfort you.
With sympathy

“ My dear friend. You were more like a sister than a friend to me. John and I will never forget the decades of friendship we had - the side splitting laughter, the road trips, the vacations, the Friday nights and Sunday dinners. So many special moments and lifetime events to mention. I can't imagine life without you. Our hearts are in pieces. Sweet dreams, my bestie. You will be forever with me.
