“ *Dear John, Jeff and family, Although it's been years since I've seen your Mom, I can say she is one of those people who pass through a person's life you just never forget. She was kind, compassionate and thoughtful. She had the most amazing smile that lit up a room. If I may share a special memory, everytime I hear the song "Dreams" by Fleetwood Mac she comes to mind. Thanks Bunny for leaving me with a special memory. Rest in peace! I know you will be missed. Vaya con Dios! Love, Lizette & Family##imported-begin##Lizette Crespo-Ruiz##imported-end##*
