“ *Our hearts were saddened by the sudden loss of a sweet and joyful lady, Belinda. We have so many memories of joyful times on our cruise trips, sleep over at you and your mom's house and at your wedding to mention a few. Our prayers along with our church family are being said for Kenny, Yolie and the rest of the family. We will keep your memory alive! " And he said unto me, My grace is sufficient for thee for my strength is made perfect in weakness." May God's holy spirit provide the family with the comfort and peace as you cope with the great loss of our beloved, Belinda.*

Paradise is where you are now with all the other angels, embracing your life with God. “ Word can not express my deepest sympathy for the lost of such a wonderful and loving person. An amazing individual with a compassion to people. Belinda thank you for always loving and being their for my children. The memories you have provided to them will live forever in their hearts. You are and will always be their best cousin. Thank you in so many ways. Although, my presence is not there, I will forever be grateful for all you have been to my children; your cousins. I feel the pain and saddens for them and your entire family. Your beautiful soul will never be forgotten. I pray the healing of love from family and friends will help lessen the pain many are so feeling at this time of great sadness. May the lord open his kingdom and welcome the beauty he once created. God bless! R.I.P. Know you will never be forgotten.

“ *My sweet niece. You will be solely missed. You were a piece of the family tree that is now missing a leaf. I pray that we shall be together when my time is up. We have a void that can't be refilled. I hope you knew how much we loved you. Our family is in pain. We don't know how to handle this but as a family, we shall get stronger. Love you always and look for me when my time is up. Always in our heart and minds. Your Titi, Jeannette*
