“ We have lost an incredible human being. She was the best aunt in the world, and was always there for me no matter what. She will always be in my memory and always be missed. ❤️❤️

“ There were many wonderful memories that we shared through the years. In the last 6 weeks of your life, we talked about how we see our loved ones who have passed before us. You kept on telling me, that you didn't believe in that. I'm sure you were welcomed with open arms by Uncle Stan, my Mom and Dad, Nana and Poppy, Aunt Joan and Uncle Sanford and many more who knew you and loved you. You will never be forgotten. May you RIP and your memory be for a blessing. Love you.
