“ My dear Bertha, you were not only a neighbor to me, but a very dear and my second mom. My heart is very heavy for the loss of you. I will miss all the talks we had over the fence. I will never forget the day my family and I moved next door to you and Arthur and you were both on the front porch to welcome us. We had many laughs and we shed tears over that fence but at the end, we always managed to laugh. You and Arthur always said I am the daughter you never had and with all this said. I will miss you dearly and you will always be in my heart. With all my love, Loretta

“ *To the best mother-in-law a women could have. Loving, generous and always caring. I miss you terribly. I will always remember our conversations where we would end up giggling about how we were going to just take a road trip someday and not tell anyone where we were!!! I loved you more than you will ever know. Thanks for always being there for me and for being not only my "other" Mom but also my friend. You are now reunited with Arthur and your soul is at peace. You will be with us always; not only in spirit but our memories of you will heal our grief. I Love you, Janet*
