“ Bruce. Even in your passing you are still sharing life's wisdoms to the world. I just saw you at Votee Park last week and you stopped your walk so we could talk tennis. Life is so short. Make it count people. Rest In Peace Bruce.

“ To Bruce,  
Our friendship began in 1990 which I believe was your first limousine job with our company Something New Limousine Inc. You became part of our family and you were the greatest for the 10 years you worked for us. You were dependable and happy, caring and always on time. R.I.P. Say hello to Steve for me.

“ Daddy,

*Your time here was well spent. You've touched the lives of many. Your positivity was endless, your laugh was infectious, and your love unyielding. I'm so very proud to have had you as a Dad, but also as a friend and an advisor. I'm keeping the memories close. Remembering how we danced to the opening sequence of the Sopranos, how you loved to hear me sing, the time we spent on the courts, and more recently the times you've spent with Kadence. The depth of our bond is deeper than I knew. The tennis courts won't be the same without you, I won't be the same without you, but rest assured the world is smiling because you were a part of it. Your stories will be remembered and your life celebrated. We'll be waiting for the signs that show you are all around us.*

*I love you forever,  
Kristyn*

*PS: I'm living the dream Dad! I'm living the dream.*

“ We first meet Bruce in 1997 when he drove my family to the airport for our vacation. We never used another Limo company again. Over the years my children grow up with Bruce as he drove us to the airport for our yearly vacation. Bruce was like an uncle and last year drove us to the airport as we sent our daughter to college. He was a sweet guy. God Bless.

“ I meet Bruce in 1993 and never used another Limo company again. My mom loved when Bruce would show up at the airport to pick her up. I will always remember his infectious laugh and big smile. Me and my family are deeply saddened by the loss. RIP my friend and you will always be thought of fondly by the Lamparillo family.

“ Rita, Kristin and Bruce, Jr. We could not be more heartbroken to hear of Bruce's passing. I hope you all take peace in knowing that you were his life, and believe me, he was so very proud of all of you, and his grandchildren. Not a minute into our journey's with Bruce, to wherever we were heading, did he start telling loving stories about all of you. You truly made his life special and happy, and as friends of his, we've followed you all of you through him over the years. His laugh was infectious, as was his smile, and we will miss him very, very much. Our thoughts and prayers are with you during this difficult time. May he rest in peace always!
