“ *Bruce was not only a good and faithful friend to my daughter, Catherine, and me, but was also a faithful caretaker for our beloved dogs. Bruce and I met walking our dogs. Walking his and others' dogs several times daily, Bruce was a well known and well liked fixture in our neighborhood. He knocked on my door early Christmas morning in 1997 to ask me to help out with his Christmas church services because his singers were unable to get to church from Brooklyn due to a bad snowstorm. I had only been in my house there for a couple of weeks. I agreed to sing, and that sealed a strong bond between us that lasted for 17 years. I loved singing with Bruce in Christmas and Easter services every year from then on. His and Tim's choir parties were much anticipated and thoroughly enjoyed by all. Even though I moved from Teaneck in 2014, I thought of him and Tim often. I love them both and I will miss him.*
