“ *Dear Warburton family, I have just learned about your Dad from my sister. I am very sorry for your loss. “ My father, Roy, just informed me of your Dad's passing. Please accept our sincerest condolences. My fondest memories of your dad was at your wonderful pool parties at your Paramus home. As children, watching your dad dive off the roof into the pool was just one of my vivid memories of how full of life he was. He was always smiling, engaging and full of energy. I am sure he will be sorely missed by the persons and family he left behind. With Love, Rob and Deb###imported-begin###Robert and Deborah Chase###imported-end##

“ I was very sorry to hear of Mr. Warburton's passing at mass on Sunday. I wanted to pay my condolences personally, but came down with a virus yesterday morning. Your dad/husband touched many lives. I'll never forget when he came over to Duke Dr. to help me determine if a king size waterbed was safe on the second floor. I'm feeling a little better today and should be fine by tomorrow. If I can help in this sad time PLEASE call (201-843-6675) Sincerely, Joann###imported-begin###Joann Greenfield Chambers###imported-end##
