“ *Dear Gregory & Andrew please accept our deepest condolences and prayers . Your mom was a wonderful person . I still remember those years we spent working on 4 H fairs and doing things together. Unfortunately we like others would bump into your parents chat say we need to get together than life would get in the way. Know they are together now watching over you and yours. Love Lou & Pat Miller.

“ *What I remember most about you, Aunt Carol, is your laugh. I can still hear it in my head, and when I think of you it's the first thing that comes to mind. You will be missed, and the memories cherished.
With love, Regina*

“ Rip Carol. You now have joined your best friend the love of your life. You can now continue to play your card games. Give my love to Freddie. I will always hold dear to my heart what a great sister you were. The memories are too much to post but my favorite was when we went bowling together with Freddie and Vito right after your engagement and you fell off the curb in the rain and left Freddie with the umbrella hanging on his head. I still see it now. I will cherish the memories of our kids growing up together and the closeness that we had as sisters. You were the best. Love you forever and ever.
Your #1 sister Johanna
