“ My grandmother aka Nanny will be missed and loved moving forward throughout my life. I have had the great pleasure to have her in my company for the last 42 years. i have spent my first 21 years in their Union City home, making memories there-many basement parties, backyard bbqs, spending a week long summer break there, and i will not forget our many card games at the kitchen table or our walks on Summit Ave. Years later, id say in 98 or 99 is where i spent the next 21 years of my life. Nan and pop moved down to their lovely lakewood home community. i always referred to it as a dollhouse, nothing was out of place ever! Nan, Pop and I had weekly Wednesday night yummy meals, made by them of course. After dinner, I would shop with nan at stop n shop and she would do her weekly shopping. then we would get back, put things away, play cards or othello, with a lil snack on the side. either ice cream or cookies with milk or tea. As the years went by and age became a factor, it was no longer just Wednesday nights. Nan or Pop would need me to drive them to doctors appt or whatever else. I did not mind in the least, after all they did for me years prior. Pop eventually passed in 2016 and for the next 3 years, i was there for nan for anything. I lived about 20 min away from her, so I did not mind in the least. This was Nan, I mean, who wouldnt help her if they could. I will miss her until we meet again in heaven. I have comfort in knowing that she was greeted by Poppy, Louie and my mom, Linda, as she approached the beautiful light and gates to heaven. "RIP Nanny, I love u, Toni Lynn" RIP-Toni Lynn and Tony Santana

“ I will miss you Nanny so much, we shared so many memories together. Be it, from my first 21 years in your Union City home or the next 21 years in your Lakewood lovely home. We had shared every week together, since you and Pop moved to Lakewood in 1998. We were together every week on a Wednesday night for dinner and I would take you to Stop n Shop, so you can do your weekly food shopping. If need be, I'd stop by to take you to doctors appts or whatever else u needed to get done, beside just a Wednesday visit.

Nan, I loved your company always and your laugh, it would brighten my day.

I'm so sad you are gone, but I know u will live on through my memories and dreams.

I Love you and will miss you forever, Toni Lynn and Tony Santana

“ I am so saddened by the loss of my dear Aunt Carrie. I will miss our pleasant conversations, the way she laughed and made me laugh. My husband Eddie adored her as well. I am very thankful for those wonderful times we spent together and the happy memories I have that no one can ever take away. Rest In Peace my dearest Aunt. I will always love you.
