“ *I've only come to know Cathy on Facebook. She was an early morning riser like me. always a message about coffee or breakfast..then off to work..Then a message after work and at bedtime. She had cute posts all the time to you smile..In this work with so much negativity, it was nice to see something pleasant..My sincere condolences. May she rest in the arms of her parents..*

“ Cathy & I worked together for 15 yrs at Fairview Electrical Suppy. There was never a dull moment working with her. Especially days when she brought her beloved Penny to the office. Will miss reading your truthful comments on Facebook. My deepest sympathy to the Kuhran family. Rest in peace my friend.

I'll never forget the jokes we had about the dirty dog cart on 57th and Bergenline. Just give me a sign when it's my turn and I'll bring some dirty dogs up with me. You brighten my day and evening with your cawfee and don't forget the drink. God Bless you. My sincere condolences to your family and friends. Rest In Peace.

I was in West New York, NJ with her Mom and Dad when Cathy was born. LOVED how she would talk so loving about her Mom. Hope she took a box of CANDY to HEAVEN with her. Missed her on FB, just thought she was in jail and would be on one morning. Rest in peace dear Cousin. Prayers to the family and friends.

“*All of Cathy's friends on Facebook miss her very much and many who are local I'm sure will come to pay their respect. Cathy was always very pleasant saying good morning to all and letting us all know when she returned from work. I will miss Cathy's sharp wit, her genuine friendship, her ability to keep up with my puns and her love of music. God took a very nice friend much too soon. My condolences to her family and friends. *I enjoyed her posts on Facebook and her sense of humor. She talked about traveling to work and home and how she needed an ice tea. We both loved wine and she was so very funny. She will be missed very much by all. I'm so sorry for your loss.
