“ *Helen & the Girls, Sorry for your loss of Charlie! I enjoyed working with him in my early years on the Department. I enjoyed the back and forth banter with his good friend Capt Al De Vencentis and his stories about the invasion of Anzio and the battle for Monte Casino. I have nothing but good memories of Charlie ! Skip BTW... Nobody could kick in a door at a fire scene like Charlie could... no need for tools ;-)*###imported-begin###Gene T.
