“ *Sister/Tina Not only were you my sister but you were my best friend. You were always there when I needed someone to talk to. I could tell you anything and it would stay between us.*

We were so blessed to grow up with our grandmothers and grandfathers, aunts and uncles, lots of cousins, a baby sister and best of all two awesome terrific parents. I will miss you and though we will no longer talk on the phone or in person, I will still share my hopes and dreams with you. You are a treasure and I know you were welcomed in heaven with open arms. Love you, Mary Ann

“ *Mom/Tina, we miss you so much. We miss your kindness, your warmth, and your laughter. No matter what was going on you always showed up for us. Whether it was a game, a graduation ceremony, or just having a meal on the table when we needed it — you were always there. Your courage and strength these past few years have been unbelievable. Thank you for all you did for us and for setting an example of what it looks like to put family first.*
