“ *I miss you my friend...we had such good memories when our children were young...miss our coffee clutches after dropping kids off to school...our chats every morning...our bowling days...you did such great work at our Halloween parties at the High School...We had the most beautiful days and watched our children grow without worry...Then you were gone one day and we lost touch...then one day last summer you came back to NJ and we met up again like you had never left not knowing that was going to be our last time...RIP my friend...you are soooo missed..*
