Dr. Claude Neptune.....May you sleep in peace! I miss you so much! My heart felt condolences to the family.....What a wonderful Video tribute!!!! Excellent!!! I am so sorry to hear of His Passing. Michele you may not remember me, I remember you from Path Labs NYC - working behind the desk. (Malcom X Building) Your father touched my heart - helped me in my Lab Career and greatly influenced me! He was my LAB Angel and I am forever grateful our paths crossed. Gods Grace and Peace!
