“ *Dear Uncle Andy, Aunt Connie touched us all with her strength for life. I miss her very much. You now need to remember she loved you and would want you to continue to stay close with family. She will be missed every day, every holiday and birthday. You need to remember her and know she is resting in peace now. I know the boys need you to stay strong and continue with your war stories. Love you, Theresa xoxoxo###imported-begin###Theresa Farro###imported-end##*

“ Dear Andy, I felt terrible about Connie's passing. She was a very good woman. Jeff told me about it. You and her were always a wonderful couple. Thinking about how often the two of you would take care of Nick and Jeff when Donna and I had to go out and all the times you came to our home to help decorate the Christmas tree with those wonderful circular paper decorations are warm memories to me. My wife, Anita, and I wish to offer our condolences to you on Connie's passing. Bart and Anita Palamaro##imported-begin##Bart & Anita Palamaro##imported-end##
