To my dearest Connie i still can't believe that you're gone , you fought so hard but God took you home . You were not only my cousin but my best friend as well . You were the best travel partner. you made everything easy and fun. I will never forget the jokes and laughter we shared. The late night talks and watching in your I pad silly shows. All these memories I will treasure forever in my heart.

You're generous and kind you gave wholeheartedly without expecting anything in return Rest easy now in paradise . Pray for us and watch over us I will miss you and there will never be a moment that I won't think of you

“ Tita, even though the time we shared was short, we will never forget any of it. You were supposed to come home last December and celebrate your birthday, Christmas, and New Year here with us, but it did not happen. Everything happened so suddenly, and we never expected it to be like this.

Thank you, Tita, for the love, kindness, and beautiful memories you gave to our family. Your loss brings deep sadness to our hearts, but we are grateful that you became a part of our lives. The kids will miss your funny jokes.

Rest peacefully in God's embrace. You will live in our hearts forever. We love you, and we will never forget you.
