“ *I just saw this now. Your father was the best friend I ever had. The last time I saw you was at his funeral. I am broken hearted. I tried to find your mom online over the years, as I was trying tonight when found this. I feel responsible. I wish I could have been there for you. But I know I couldn't help your Dad either. You poor thing, you were my son's age. I am devastated.*

“ From a cousin:
"Danny caught the garter at my wedding. The girl who caught the
bouquet, however, was a 12 year old piano student of mine. Since it
was wildly inappropriate for him to put it on her, he insisted that SHE
put it on HIM."
