Now that your body and soul rests eternally in heaven next to our God. i know that you are now at PEACE just observing us here in on earth from somewhere up there. Since here you always have to work... and strive to be happy everyday now... you are in the Glory of the Lord. You will surely be always remembered and your memories will always stay alive in our hearts and mind... Thank you for being my friend. May your soul now Rest in Peace...

I am so deeply saddened when i saw your post on FB and learned of what happened to Dante. Although i know that no words can ease the loss you and your whole family feel, just know that you are all in our thoughts and prayers.
