“ *It's hard to see you go but knowing you're in a better place and Mr. Baker back by your side leaves us at ease. You were such a beautiful hearted women. We have been neighbors for 8 yr but you have known my husband since he was a child. We will miss you trying to sneak over putting a holiday balloon and card on our door and getting caught.*

*We send our condolences to her children, grandchildren, and family. As you mourn the loss of your loved one we continue to pray that God protects your heavy hearts and give you the strength to know she's smiling down.*

*Mrs. Baker has gained her beautiful wings to go home. You will forever be missed by the Magazine Family!*
