“ *My fondest memory of my Godmother was when I was about 9 years old, my parent bought me a bike for Christmas. Within a week, my bike was stolen and my parents wouldn't get me another one. I cried and cried for a new one and God heard me thru my Godmother. I remember going to stay with her one weekend in Bergenfield and when I got there, she had a new bike for me. I smiled from ear to ear and gave her the biggest hug that a 9 year old could give. Ever since then, I loved her with every ounce of love even till this day. She was my 2nd mother and I had the greatest.*

Thank you for all of the wonderful times we shared together. I'm really going to miss your beautiful and kind spirit. You were the best co-worker and friend ever! You always showed me love. My heart is broken.

Tiffany and Robert, stay strong. You two are her greatest joy.

*Love Always,
