“ Remembering Dianna Batts Sr

*RIP Cousin Dianna Batts Sr I will always cherish the memory of you my dear Dianna. The short time I knew you at this point feel like a life time. You made the calls I finally picked up the phone and responded back and at last a long story with no ending finally has it conclusions. God know best and in his times, he will complete the picture in his own way.*

*As you told me so many times we are just going home to be with all our love ones I know the Humphreys - Jordan will welcome you with open arms. We Built a strong relationship through phone conversations about family history and made a connection that went back 107 years. It is to your credit that the connection was made. We have enough information on this untold story including pictures that will last a life time. You were a living testimony that GOD is still working miracles. I only wish my dad Burnham Jordan Could have meet you. He loved his family sisters, brothers, nieces, nephews, and kept them close. When I was growing up, we were all one family. He knew about the Humphreys and told us the history and for him to see you all would have been the joy of his life, but I know you will tell him about our talks. You are gone from this earth but not from our hearts.*

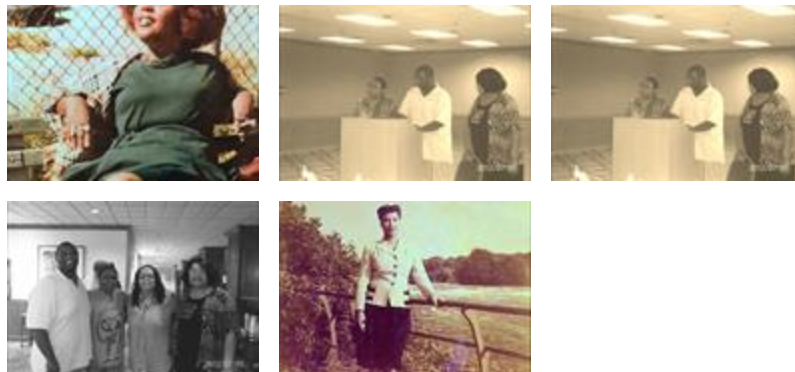

*Burneva McCullum Your cousin, your sister, your friend forever remembering your dedication to family.*
