“ You can shed tears that she is gone Or you can smile because she has lived. You can close your eyes and pray that she will come back Or you can open your eyes and see all that she has left. Your heart can be empty because you can't see her Or you can be full of the love that you shared. You can turn your back on tomorrow and live yesterday Or you can be happy for tomorrow because of yesterday. You can remember her and only that she is gone Or you can cherish her memory and let it live on. You can cry and close your mind, be empty and turn your back, Or you can do what she would want: smile, open your eyes, love and go on.

“ *Dianne was the bravest angel we had the honor of knowing. She was a role model for everyone who ever felt life was too hard to continue. Dianne helped me through a difficult illness with her "can do" spirit. Her smile was infectious and she was so loved and will be sadly missed.
