“ To My Aunt Dolores,

May you rest in peace with love from the entire family from Italy to New Jersey, to California. You were always smiling , kidding us and laughing throughout the years.

I'm glad we had a chance to talk these past few months ago. I will always remember

Christmas at Amy's a few years ago. Aunt Tini, Mom and you are together again in heaven, I hope laughing and telling stories just like the holiday get togethers we had.

To My Cousins, Janice, Laurie , Mary Lou ,

I send you my condolences for the loss of your mom. She was 97 as you said and what a wonderful life she had. May your days following be filled not with sorrow but with joy and fond memories of all the years you had her in this world.

To the Grandchildren and Great Grandchildren,

I send my condolence to you as well. Know that she was a wonderfully fun person. She took life in and enjoyed all that she did.

*Bless you All ,
Cousin Francine*

“ To all of the Parkinson family I send my dearest and deepest condolences on the passing of Dolores. Although she was a quiet lady, she lit a spark wherever she went and always had a twinkle in her eyes. I will always remember Dolores from when we first moved to Teaneck in 1989 as she was so welcoming to our family, and most of all to our daughter Hannah when she arrived in 2004. Rest in peace, dear one. You will be so very missed and remembered often.

*With love and sympathy,
Nancy, Tom and Hannah Christensen*
