Domingo was born on July 13, 1939, in Dominican Republic, to parents who instilled in him values of love, kindness, and resilience, traits he carried throughout his life. He was one of 11 children, surrounded by a large and loving family from the very beginning. He was a devoted husband to his beloved wife, Altagracia Núñez, for over 55 years, their bond a testament to enduring love and commitment. Ariel's wife, Celena Núñez, was also a cherished member of the family, adding her love and support to Domingo's

His presence will be deeply missed by his family, friends, and all who had the privilege of crossing paths with him.

Though Domingo has bid farewell to this earthly journey, his memory will forever live on in the hearts of those who were fortunate enough to have known him.
